MAYOR SAYS CITY MUST GIVE THANKS

Proclamation Issued by the City's Chief Executive to the People.

That El Pasoans shall be thankful is the opinion of Mayor C. E. Kelly, who has issued his Thanksgiving proclamation. It says:

Whereas, in accordance with ancient custom and the suggestions of religion, we should gratefully acknowledge the many blessings we have received from a beneficent providence, and

Whereas, the residents of the United States and the governor of Texas have by proclamation designated Thursday, November 24, 1910, as a fit day for such Thanksgiving;

Now, therefore, I, C. E. Kelly, mayor of the city of El Paso, Texas, do earnestly request the people thereof to observe the day so designated in accordance with its intent and spirit.

All employers of labor in El Paso are requested to grant a holiday on that day to their employees in order that it may be properly observed by all our people, and for the same purpose, all municipal offices will be closed, and a holiday given on the same to all city officers and employees, other than those whose services are imperatively required by the exigencies of the public need.

ECZEMA TOTALLY COVERED HIS FACE

When a Baby—Hair All Came Out—Always Scratching—Mother Got Cuticura and He was Cured After 3 Years of Disease.

"My son was about four months old when he was taken with dreadful eczema. I had four different doctors but they could not help him. The hair all came out and his face was totally covered. His eyes were shut and we thought he would go blind. His limbs and body were also affected. He was always scratching; I had to keep his little hands tied down and he seemed to have a great deal of pain. We did not know what to do. I used to get sick handling him, from the way the corruption was always running."

"But I got some Cuticura Soap and Cuticura Ointment and in a week or ten days I could see the eruption drying up and before long he was cured, after about three years of the terrible disease. Now he is nineteen years old and has not a sign of the old trouble. You see I learned the value of Cuticura Soap and doctors' bills by using Cuticura Soap and Ointment and I will recommend either to anyone and advise them to use them and receive a safe, speedy cure."

Mrs. Catherine Mocklin, Dock St., Royaltown, Pa., Feb. 21, 1910.

Cuticura is the most economical treatment for torturing, disfiguring affections of the skin of infants, children and adults. A single cake of Cuticura Soap and box of Cuticura Ointment are often sufficient.

Cuticura Soap (25c), Ointment (50c), Resolvent (50c), and Chocolate Coated Pills (25c), are sold throughout the world. Putter Drug & Chem. Corp., Sole Props., 137 Columbia Ave., Boston.

No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use **Dr. Pierce's Golden Medical Discovery**. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so gives health and strength to the whole body.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.
